

Art & Technology Technician
Salary: GR2 SP16 - 20
Start Date: as soon as possible

Harborne Academy is situated in a residential suburb close to the centre of Birmingham. The Academy opened its state of the art building in October 2013. The Academy is on a journey to excellence and was judged to be good by Ofsted in June 2017.

We are currently looking for an Art and Technology Technician to join our team in the Technology and Art department.

You must provide support for teaching staff within the Technology and Art department. We are looking for an experienced and enthusiastic individual to join our faculty. The Successful candidate will provide a support service to staff and students within the Technology Faculty area with a specific focus on the Engineering Curriculum (BTEC), supporting students and ensuring tools and machinery is in safe working order. You will also support across the faculty in the Catering and Art areas. The candidate should have good practical engineering/maintenance skills and experience of working with young people.

Harborne Academy can offer:

- Excellent professional development opportunities
- A friendly and supportive learning environment
- Well behaved and self-motivated students who want to learn
- Excellent student/staff relationships.

Please see the Harborne Academy website for an application form - www.harborneacademy.co.uk
Please send your completed application form to - sarah.hurley@harborneacademy.co.uk

Closing Date: Friday 13th April 2018

Interviews will be held the following week.

This post is covered by Part 7 of the Immigration Act (2016) and therefore the ability to speak fluent spoken English is an essential requirement for this role.

Harborne Academy is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. An Enhanced Disclosure will be requested in the event of an individual being offered the position.
